Standard Bank

Standard Bank Group Limited is one of Africa's leading banking and financial services groups. Formed in South Africa in 1862, the group is firmly rooted in Africa and operates in strategic emerging markets.

Corporate and Investment Banking is the wholesale division of The Standard Bank of South Africa Limited (a wholly owned subsidiary of Standard Bank Group Limited) and includes inter alia equity investment and advisory businesses, project finance and structured lending.

Services provided by Corporate and Investment Banking

Working across various sectors, we offer a full range of services, including: banking, finance, trading, investment, risk management and advisory.

The Investment Banking arm provides a full suite of advisory and financing solutions from term lending to highly structured and specialised products across the equity and debt capital markets. Our Global Markets teams offer a range of trading and risk management solutions across the financial markets including foreign exchange, the money market, interest rates, equities, credit and commodities, whilst our Global Transactional Products & Services team provides a range of transactional services, primarily across Africa, complemented by market leading electronic banking solutions.

Additionally, the wealth management team provides solutions to private and institutional clients and our Principal Investment Management business is responsible for the group's investing activities in illiquid equity and alternative investments.

Mergers and Acquisitions, sponsor and corporate broking

The Mergers and Acquisitions business comprises both sector experts and generalists that specialise in providing strategic and financial advice to organisations. The Mergers and Acquisitions team has extensive experience in managing a number of large transactions within and beyond the borders of South Africa. Its wealth of skills and experience coupled with its broad capacity and knowledge base enables Standard Bank to deliver first class solutions to clients located in the markets in which Standard Bank has a presence through representative offices in these regions.

Basic Entry (1/3 column)
